OUR STORY

When friends Ericka Frank and Nicole Puyear opened their first cupcake bakery in 2007 their goal was simple: to serve delicious cupcakes. For Ericka, baking has been a lifelong passion that began more than 25 years ago when she baked and decorated a birthday cake for her “momma.” The Cup’s famous made-from-scratch buttercream is a testament to Ericka’s love of all things sweet.

While historical accounts would suggest that Nicole baked her one and only cake at age 5 (after eating half the batter), what she lacks in culinary skills she makes up for with a unique vision for The Cup’s future.

Today, Ericka and Nicole are humbled by the support they have received from their loyal customers and are tremendously proud of the teams at each of the four Cup locations as they strive to provide every guest with the best possible cupcake experience.
